

Our CTCGD member and long time supporter of the Cairn, Ken Scherbarth, has come up with a great idea to help the club. Hopefully YOU can help too! . . . especially our loyal members who are not able to regularly attend meetings or help out in person at our events. This is a perfect opportunity for you to give the club a BOOST!

Each year we try very hard to produce a specialty weekend worthy not only of the presentation of your beautiful Cairns, but also one that will be memorable for our honored guests. A 'Cairn'-ucopia of details ranging from a clean grooming area, a large show ring, comfortable hotel, enjoyable hospitality suite, meaningful specialty dinner, unforgettable prizes, continue to challenge our treasury.

In an effort to address the financial aspect of continuing to put on quality events in the future, (especially our specialties, we are making an appeal for a different kind of support. We are asking each of you to LEND A HELPING PAW . . .
